

## Area 27 Motorsports Facility (Appendix C) Paddock Rules

### Hours of Operation

Paddock access is between 8:00am and 6:00pm during the regular season, April 1st to September 30th. Track access is between 9:00am to 5:00pm during the regular season, weather dependant.

### Set-up and Removal

#### A. Member Lapping Days,

Access for members to set-up for a lapping day is available at 5:00pm on the day prior to the start of a member lapping day. Removal and teardown must be completed by 6:00pm on the last lapping day that is scheduled prior to a non-member event day. Daytime storage of equipment and/or campers is only permitted during member lapping days. Overnight parking of trailers and/or campers during member lapping days will be subject to a fee of \$20.00 per night. Storage during non-member event days may be arranged, on a case by case basis, and will be subject to a fee of \$60.00 per day. **(Note: Members may attend corporate events by invitation only)**

#### B. Corporate Member Event Days,

Set-up access for a Corporate Member event is available at 5:30pm on the day prior to the scheduled event. Access may be granted earlier, with prior arrangement, on a case by case basis so long as there is no interference with a previously scheduled event. Removal and tear-down must be complete by 9:00pm on the last day of the scheduled event. Late removal of equipment may take place, with prior arrangement, on a case by case basis providing there is no interference with a following scheduled event.

### General Rules

- \* Upon entering the paddock everyone must report to the office and sign the Daily Waiver. Parents/legal guardians must also sign a separate Minor Participant waiver for children under the age of 18.
- \* Speeding, burnouts, spins, and testing is strictly forbidden in the paddock and is subject to disciplinary action at the discretion of the Grid Marshall or Senior Driving Coach.
- \* Pets are allowed only on a leash that is less than three (3) meters in length. Owners must clean all messes left by pets.
- \* Glassware is not permitted in the paddock, cold pits or hot pit areas. Plastic plates and drinking cups along with aluminum beverage containers are recommended.
- \* Jacks, jack stands or other elevating devices are not permitted without use of plywood or other solid surface on which to elevate vehicle(s) so as not to damage the asphalt surface. Members may be subject to repair costs if asphalt is damaged.
- \* Fueling must take place only in the designated refuelling area. Spills of any kind must be cleaned up immediately, always be aware of the location of oil dry and fire extinguisher stations.
