

## **Camaro Driving Academy & Academy 27 Terms and Conditions**

### **Spring Promo Sale**

Our \$300 promo will run from April 1<sup>st</sup> until midnight PST on April 8<sup>th</sup>. Anyone purchasing an Academy 27 course during this time will receive \$300 off per course before taxes. All course costs and vouchers are in Canadian funds. This offer cannot be applied to purchases made prior to April 1<sup>st</sup>.

### **'Buy Now, Register Later' Program**

We want our clients to be able to book with confidence, in light of the recent public health crisis Area 27 is now providing flexibility on all Academy 27 courses including the Camaro Driving Academy. Purchase today and reserve your seat at a later date.

These flexible vouchers are valid to redeem from date of purchase until the final course date offered in October 2021. The 'Buy Now, Register Later' program allows you to reserve your course date at any time prior to a course commencing.

We know these are uncertain times, but we do encourage participants to book their course with as much notice as possible. All registrations are done on a 'first come, first serve' basis, which may limit available date options and Camaro models. Changes to your registered course must be done with a minimum 10-day advanced notice, please see "Rescheduling" for more details.

### **Course Payments**

Full course payment is required at the time of booking to reserve your spot. If payment has not been made prior to the course beginning, the participant will not be eligible to partake in the course, and partial payments will not be accepted.

Inappropriate use or website errors will nullify the registration and the participant's registration will be cancelled, payment refunded, and the participants will be required to begin the registration transaction again.

### **Rescheduling**

To reschedule your Academy 27 course please email: [academy@area27.ca](mailto:academy@area27.ca). Any course date changes MUST be rescheduled within a MINIMUM of 10 days advanced notice, to avoid a penalty fee of \$500 will apply.

## **Refunds**

Area 27 has a non-transferable and non-refundable policy for all Driving School courses, aside from purchases made from April 1<sup>st</sup> – April 8<sup>th</sup>. Refunds can be requested and considered on special request in extenuating circumstances at the full discretion of Area 27 staff members.

Participants who request a refund due to concerns regarding COVID-19 will be issued a full refund, if notice has been given 10-days in advance to their respective course date. If a refund is requested within 10-days of their course day, a \$500 fee will be taken off the refunded amount.

## **Weather Policy**

The program proceeds through manageable weather conditions including rainfall conditions. The performance of the Program is subject to acts of God and unforeseen circumstances that make it impossible to perform the obligations of the Academy; however, this will be considered at the discretion of Area 27 management. Participants shall have no right to cancel and request a refund for any weather-related reasons.

## **Discount Codes**

Discounts for schools are only valid if a verified code has been sent directly to the individual by Area 27 staff. Discounts are non-transferable. Inappropriate use or website errors do not relieve the user of paying the full current cost of the school or course for which they are registering.

## **Insurance**

Driving School participants using their own personal vehicles in any of the Academy 27 courses are solely responsible for their own insurance and damages incurred. Any damages caused to Area 27 grounds, Area 27 property or other participants vehicle will be the sole responsibility of the driver.

For Camaro Driving Academy participants, insurance coverage is included in the registration fee. A \$2,000 damage deposit is required per Camaro rental. If an incident occurs, the driver will be responsible to pay for either the damages done to the vehicle or the insurance deductible, whichever is the lesser amount. The amount of the insurance deductible is based on a percentage portion of the vehicle model's total value, typically 10%.
